

## York and District Indoor Bowling Club

Welcome to the club! We've prepared this introduction to get you orientated.

Please ensure that you're aware of the emergency exits in the event of the fire alarms sounding, the staff can show you around the buildings if you are unsure where these are located. If you have accessibility issues, please tell a member of staff, or ask for our accessibility leaflet (also available on the website). If the fire alarm should go off, please make your way outside by the nearest available exit and congregate in the Car Park next to the green boards, this is sited on the left as you leave the building. Please do not stop to collect your belongings.

You can find out about what is on at the Club either on the Notice Boards or logging on to our website at:- [www.yorkanddistrictibc.co.uk](http://www.yorkanddistrictibc.co.uk).
