

York and District Indoor Bowling Club

Welcome to the Club. We've prepared this introduction to get you orientated.

Please ensure that you're aware of the emergency exits in the event of the fire alarms sounding. The Staff will walk your round the buildings if you're unsure. If you have accessibility issues please tell a member of staff or ask for our accessibility leaflet (also available on the website). If the fire alarm should go off please make your way outside by the nearest available exit and congregate in the Car Park next to the green boards sited on the left as you leave the building. Please don't stop to collect your belongings.

You can find out about what's on at the Club either on the Notice Boards or logging on to our website at www.yorkanddistrictibc.co.uk. We also have a Facebook account so check us out.

We cater for all levels and hope to give you the opportunity to play at a level that suits you. We offer:- Rinks available for a private roll-up, Social bowling where we organise teams (from whoever turns up) for a roll-up, Friendlies (you can put your name down to play), Internal Leagues (you can act as a sub - see the form near the League Tables or we can find you a team to join), Representative Matches for either the Club or Yorkshire (you can put your name down on the Nomination Sheet).
